Caregiver Services

As a caregiver for a loved one, you have enough to worry about. That's why Teladoc gives you a convenient and affordable way to provide care, letting you arrange a two- or three-way video or phone visit with a licensed doctor 24/7 for just \$56 per visit. Add the individual you care for to your Teladoc account, even if he/she is not covered by your health plan.

Fee: \$56 for caregiver consultation. This is an optional service, and it is not covered under your health plan. It is the member's responsibility to pay in full.
